I. BASIS OF ASSESSMENT OF MEMBER STATES CONTRIBUTIONS TO ONUSAL FOR THE PERIOD 1 JANUARY TO 31 OCTOBER 1992

A. Period from 1 January to 31 October 1992

1. By Security Council resolution 729 (1992) of 14 January 1992, the Security Council decided to extend the mandate of the United Nations Observer Mission in El Salvador (ONUSAL) to 31 October 1992. By resolution 46/240 of 22 May 1992, the General Assembly decided "to appropriate to the Special Account an amount of 39,000,000 United States dollars gross (37,000,000 dollars net), inclusive of the amount of 10,000,000 dollars authorized with the concurrence of the Advisory Committee on Administrative and Budgetary Questions, under the terms of Assembly resolution 46/187 of 20 December 1991, for the operation of the United Nations Observer Mission in El Salvador for the period from 1 January to 31 October 1992." It further decided that there should be set off against the apportionment among the Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of $2,000,000 and their respective share in the unencumbered balance of appropriation of $1,347,700.

2. The amount so appropriated by the General Assembly was apportioned among Member States in accordance with the provisions laid out in section I.B. below and is shown in section IV below.

B. Apportionment of the costs of peace-keeping operations

3. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under that resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

4. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group (d) would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group (b) would pay 100 per cent and those in group (a) would pay 100 per cent plus the amounts not otherwise apportioned.

5. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

6. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including ONUSAL. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 33 new Member States, including 7 new Member States in 1991, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/267 of 21 June 1991 and 46/198 A of 20 December 1991. The percentage shares shown in section IV below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by General Assembly resolution 46/221 A of 20 December 1991.

I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNDOF FOR THE PERIOD 1 JUNE TO 30 NOVEMBER 1992

A. Period from 1 June to 30 November 1992

1. Under General Assembly resolution 46/193 of 20 December 1991, the Secretary-General was authorized "to enter into commitments for the United Nations Disengagement Observer Force at a rate not to exceed 3,564,000 dollars gross (3,472,500 dollars net) per month for the period from 1 June to 30 November 1992, inclusive, should the Security Council decide to continue the Force beyond the period of six months authorized under its resolution 722 (1991), the said amount to be apportioned among Member States in accordance with the scheme set out in the present resolution".

2. By Security Council resolution 756 (1992) of 29 May 1992, the mandate of UNDOF was extended for six months to 30 November 1992. Accordingly, under the authorization granted to the Secretary-General by the General Assembly, an amount of $21,384,000 gross ($20,835,000 net), representing commitments for UNDOF for the period from 1 June to 30 November 1992 was apportioned among Member States. It was further decided that the surplus balance as at 30 June 1991 in the amount of $6,790,883 should be set off against the apportionment among Member States.

3. The above amount has now been apportioned among Member States in accordance with the provisions laid out in section I.B below and is shown in section IV below.

B. Apportionment of the costs of peace-keeping operations

4. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

5. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

6. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group

members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

7. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNDOF. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 33 new Member States, including 7 new Member States in 1991 and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/243 of 21 December 1990 and 46/193 of 20 December 1991. The percentage shares shown in section IV below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by General Assembly resolution 46/221 A of 20 December 1991.

II. RECAPITULATION OF THE BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNDOF FOR THE PERIOD 1 JUNE TO 30 NOVEMBER 1992
